Subject: IWM Proposal to Environmental Restoration for Gold King Mine

Marilyn,

Please find attached the proposal for the water treatment system in Silverton. We have submitted this proposal under a different but closely related company to Harrison Western.

We struggled to get this much of a proposal assembled in the time allotted. Our proposal writing person was not available this week. What you have here is a bare bones but comprehensive proposal for the water treatment system. We are admittedly missing the ER format which our proposals generally follow for you. If we are being seriously considered for this scope of work we are happy to reformulate the presentation aspects of the proposal. The economic and technical aspects of this submittal are accurate and sound.

Please contact me with any questions or comments.

Thank you,  
Chris

Chris Hassel
